Sex is in the Spotlight at the 2005 Everything To Do With Sex Show Seminar Series!

Learn the hidden secrets of the trade from industry experts in this exclusive series

Toronto, ON (May 16, 2005) --- The Everything To Do With Sex Show is gearing up for our biggest and best seminar series to date. Last year we were overwhelmed by the number of attendees at each and every seminar. With tons of positive feedback to work with and great suggestions from our exhibitors and attendees, the 2005 series will feature a wider variety of speakers and topics and outstanding production value.

Presenters at the 2005 show include: Renowned sex therapist and relationship expert Sue McGarvie, who is back for her 5th year and will continue to explore sex and relationships in her positive, upbeat way. Carlyle Jansen, founder of Toronto's women's sex shop, Good For Her, will share her expertise on sexuality and products that help women and men meet their sexual needs and desires and Aren't We Naughty, a leader in the Adult Novelty Industry, will share some of their well-researched secrets! Additional seminars presented by other experts include *Pole Dancing, G-Spot Orgasms, Erotic Art, Introduction to BDSM, Tantric Sex* and much, much more!

All presenters are experts on the subjects they will be speaking about and are sought after for their knowledge. The Everything To Do With Sex Show seminars are an excellent opportunity to learn something new and enhance your sex life with exciting and valuable information.

But the seminars are not the shows only feature! Attendees will also have the opportunity to enjoy the Erotic Art Gallery, curated by ACMEart, featuring painting, drawing, sculpture, multi-media and performance art. The Mainstage will feature live production numbers including a sensational burlesque troupe and an exotic male revue or attendees can take a walk on the wild side in The Dungeon. In addition, there will be contests, prizes and giveaways including fabulous trips to Hedonism Jamaica and Desire Resort and Spa in Mexico.

The Everything To Do With Sex Show is spearheading a new openness and appreciation for romance, sensuality, sexuality and self improvement. Provocative and edgy, but tame and appealing enough to draw a huge upscale middle class market. The show presents sex, and everything to do with it, in a fun, relaxed and non-threatening environment that appeals to couples and singles alike. The show runs October 21-23, 2005 at the Automotive Building, Exhibition Place.
